### **Middle School Principal**

The Hong Kong International School (HKIS) seeks an experienced and engaging new leader for its Middle School. Located in one of Asia's most vibrant and cosmopolitan cities, Hong Kong International School has two idyllic campuses on the quieter south side of Hong Kong Island. HKIS is a private, coeducational day school offering a challenging American-style curriculum with both international and multi-cultural elements. HKIS is proud of its strong sense of community and its students' excellent achievements.

Reporting to the Provost (Associate Head of School), the Middle School Principal (MSP) will provide overall leadership for the Middle School, ensuring the highest quality of education is delivered and the HKIS Mission and Student Learning Results are achieved. The Mission and Student Learning Results embody and recognize the school's Christian grounding, the cultural and religious diversity of the student body, as well as a focus on whole child development.

The ideal candidate in this role will be someone who leads and enables faculty and staff to achieve the school's vision of successfully providing high-quality education for students in Grades 6-8. To realize the vision, the MSP works collaboratively with faculty and parents to meet student needs, monitors progress toward school goals, and fosters a sense of community.

The next Middle School Principal of HKIS will be expected to recruit and develop outstanding faculty in the Middle School and ensure they are enabled to perform effectively; to coordinate and support curriculum development and monitor the achievement of curriculum goals, and to foster a strong sense of community within the Middle School and the HKIS community at large, connecting and engaging meaningfully with parents. The MSP must also possess sound financial management and budgeting skills; be willing to contribute to, support, and advocate for schoolwide decisions; and readily engage with others to support change in a positive manner.
